

**Future Vision LED/HID Warranty Policy**

Dear customer:

Thank you for purchasing your *Performance Lighting System* from Future Vision Technology. We want to congratulate on your decision to upgrade to the world's best *Performance Lighting Systems!* In order to serve you better, please read and keep warranty policy and registration card in a safe place after purchase. We offer friendly service before and after all sales, and guarantee repair or replacement of any defective component within the warranty period as noted in our warranty commitment and warranty period below.

**Warranty Commitment:**

FVT(Future Vision Tech) warranty obligations for this product are limited to the terms set forth herein. FVT warrants this product against defects in materials and workmanship under normal use from the date of retail purchase by the original end-user purchaser. If a defect arises and a valid claim is received by FVT within the Warranty Period as defined in the table below, at its own option and to the extent permitted by law, FVT will either:

1. Repair the hardware defect at no charge, using new or refurbished parts that are equivalent to new in performance and reliability
2. Exchange the product with a product that is new or refurbished that is equivalent to new in performance and reliability and is at least functionally equivalent to the original product purchased, or
3. Refund the purchase original price of the product.

Damage caused by accident, improper installation, modification to the product in any way, use in unauthorized applications will not be covered under this warranty. FVT is not responsible for any consequential damages or loss caused by the use or installation of our product in any application beyond the original purchase cost of the product.

*Any product returned to us will be examined by our technical staff to determine cause of defect.*
